Academic institution promoting
High expectations resulting in
Successful students

GENERAL GUIDELINES

ARRIVALS

Bus transportation is provided by the Assumption Parish School Board. Students who walk to school or who are brought to school by private **vehicle are not to arrive before 6:45 a.m.** No supervision is provided before 6:45 a.m. in the morning.

Homeroom begins at **7:10 a.m.** Students who arrive after this time by any means other than an Assumption Parish Bus will be given an **unexcused tardy**. Students arriving tardy for school must **report directly to the office to sign-in**. Parents are to be reminded that a tardy to school or to class is a **minor infraction**. When students are brought to school by private vehicle, they are to **be dropped off on the levee across from the front of school**. Crossing guards are present to assist in traffic flow and to also assist students in crossing the highway.

VISITORS

Visitors should park their car in the designated visitor spots in the front of school or on the levee directly across from the school. Due to limited parking, we ask that you do not park in the faculty parking area. All visitors must report directly to the main office when arriving on campus.

PARKING PERMITS

Students who drive to school **must purchase a parking permit** and park in the designated student parking area. Funds derived from the sale of permits are used in the upkeep of parking areas. Parking in the back parking lot, along the stadium drive, or in any other faculty parking areas, will not be allowed. Student drivers must park in the front parking lot near the band room. Drivers must follow all rules and regulations for parking on campus. If a student does not adhere to the guidelines, disciplinary action will be taken and parking privileges will be revoked.

♦ Parking permits will be sold to seniors first, then juniors, then sophomores until all parking spaces are taken. Freshmen are not allowed to park on campus. To purchase students must be 16 with a valid driver's license. Once all parking spaces are sold, no one else will be allowed to drive to school. If a student is parked without a permit, he/she will be referred to the office for disciplinary action. Student will be responsible for purchasing a permit. If the student does not, they will not be allowed to park and the vehicle will be towed.

PARKING REGULATIONS

1. **The cost of a permit is \$35.00.** This provides the purchaser a full year of parking privileges. Lost permits must be replaced at a cost of \$15.
2. Parking permits are to be displayed on the rear-view mirror unobstructed.

3. Students must park in designated areas in your assigned parking spot. Parking on the road beside the cafeteria is off limits. All students must park on the lot provided across from the school board office. Violators will be towed at the owner's expense.
4. Once parked, you must exit your vehicle and report to campus. No Loitering.
5. Leaving campus in your vehicle during the school day, without authorization, will result in disciplinary action.
6. **Parking permits may be revoked due to reckless operation when entering or leaving campus or driving to and from school, truancy, late to school, two suspensions, or for the violation of any of the above rules.**
7. **PARKING ON CAMPUS IS A PRIVILEGE – ABUSE IT AND YOU WILL LOSE IT!**
8. Park at your own risk. Assumption High School does not assume responsibility for vehicles parked in the student parking lot. If damage to other vehicles or to school property occurs, the owner of the vehicle responsible for the damage is required to pay restitution.
9. All vehicles are subject to search.
10. **Any student with 10 unexcused absences or tardies to school will be referred to the Louisiana Department of Motor Vehicles for revocation of driving privileges according to R.S. 32:431.1.**

DEPARTURES

Students who leave school during the day **must be signed out by parent, guardian, or other adult named on their authorization sheet. Only (4) other adults, besides parents, will be allowed on this sheet. Do not list more than (4). You are limited to only these people, and no exceptions will be permitted.** If a child arrives late or leaves early, attendance for that day will be based on the number of instructional minutes present as specified by the Louisiana Department of Education. Parents who pick up students at the end of the school day are to wait on the levee across from the front of school. Do not block the driveway entrance.

Students will not be allowed to change buses or drop-off locations unless the parent / guardian has requested approval by the principal 24 hours in advance of scheduled change.

Early dismissal students must have a ride or cannot have early dismissal. If you do not have a ride, you will be scheduled into a course and early dismissal will be revoked.

PARENT CONFERENCES

The success of our program is the result of a cooperative effort between students, parents, and staff. When parents or staff members are concerned about a student, efforts should be made to establish direct contact. Parents can arrange an appointment by contacting the principal's office. The teachers are encouraged to call parents when the need arises.

- We encourage parents to contact us often to keep up with student progress.
- If you do not have access to the STUDENT PROGRESS CENTER, please try to register for this at open house or call the school as soon as possible to register. This great tool allows parents to see student records for attendance, tardies, grades, and discipline. In addition, teacher lesson plans may also be available to you through this site.
- EMAIL is a great way to touch base with teachers. You can email teachers through the school website assumptionschools.com/ahs. Click on "Faculty" and you can select teachers to email through the site.
- Some teachers have class WEBSITES. Links to these sites are also on the AHS website.

When problems arise, set up a conference with the teacher and an instructional administrator. Usually there is a misunderstanding or lack of communication and the problem can be solved. ♦ **(Appointments can be made by calling 369-2956.)** Office hours are from 7:00 a.m. -- 2:20 p.m. We want and need your help and support in making this year a pleasant and successful one for you and your child.

MEDICINE

Only long-term medication will be administered by the school nurse or other trained personnel. The School Board shall require that medications **NOT** be given at school. Any student who is required to take medication

during the regular school day must comply with school regulations. These regulations must include at least the following:

Written orders from a physician detailing the name of the drug, dosage, and time intervals at which medication is to be administered. Written permission from the parent or guardian of the student requesting that the school district comply with the physician's order must be obtained. Medication must be brought to school by the parent or guardian in a container appropriately labeled by the pharmacy or physician. Parents must sign a form releasing the school board of any liability as a result of administering a prescribed medication. All other medications are to be administered at home.

SCHOOL NURSE

Our school nurse is available to oversee the medical needs of the student body. Students who are ill should visit her office (with a medical / illness pass from their teacher). She will evaluate their condition and determine whether the student should phone home.

USE OF SCHOOL PHONE

Students may use the telephone only in the case of an emergency and with the permission of office personnel. Students may not call home for forgotten homework, textbooks, money or personal business. This will help instill responsibility in our students. Students will not be called to the telephone during the school day. Parents should not call to leave personal messages for students.

OFFICE POLICIES

- Students may only be checked out by parents or specified individuals on the emergency check-out form
- **Office staff may not deliver / hold any items (money, food, athletic equipment, books, flowers, balloons, etc.) to/for students**
- **Students are not allowed to receive food delivery during the school day.**
- Students may not be called out of class for phone calls or conferences unless authorized by an administrator
- Any electronic device (cell phone, iPod, etc.) confiscated during the day will be held for a 24-hour period and must be signed for by a parent or guardian.

SCHOOL IDENTIFICATION

The student I.D. is to be worn as part of the uniform. Students should not get on the school bus without their I.D. If they arrive at school without proper identification, they must purchase a temporary I.D. This temporary I. D. must be visible at all times. Students are allowed to purchase an additional I.D. throughout the school year. Graffiti and covering of pictures are not allowed on an I.D. A damaged I.D. should be replaced immediately. **Replacement cost is \$5.00** Violation of this policy will result in disciplinary action.

Lost articles are to be turned into the office lost and found area. The owner, upon proper identification, may reclaim the article. After a reasonable period of time, unclaimed articles will be donated to charity.

ACADEMIC INFORMATION

Standardized Testing

- In addition to passing required courses, students must pass a series of LEAP 2025 TESTS to meet graduation requirements. These tests are commonly referred to as LEAP tests.
- Student scores of Advanced, Mastery, Basic, and Approaching Basic are considered a passing score. A score of Unsatisfactory is not considered passing.
- LEAP scores are converted into letter grades which count for 20% of the students' final average of the course.
- All students enrolled in a class in which the LEAP is given must take the test. The LEAP still counts toward the final average for the course even if it is not needed to meet graduation requirements.

LEAP Tests Required for graduation:

Algebra I or Geometry

Biology or American History

English I or English II

LEAP Letter Grade Conversions

Advanced = A

Mastery = B

Basic = C

Approaching Basic = D

Unsatisfactory = F

TOPS

Only TOPS classes count towards your TOPS GPA. This means that the average on your report card is not the same as your TOPS GPA.

Class Rank

Class rank will be determined at the end of the student's senior year. Class rank will not be affected by the number of classes a student takes. Class ranking guidelines can be found in the Assumption Parish School Board Pupil Progression Plan.

Grading and Honors Classes

All policies regarding grade requirements and honors classes may be found in the Pupil Progression Policy of the Assumption Parish School Board.

Technology

All students will be required to check out a district issued chromebook due to programs and testing requirements throughout the school year. AHS will be 1-1 beginning the 2022-23 school year. We will follow the district technology policy for distribution, collection, maintenance and usage.

Counseling Department

Guidance services focus on providing counseling and information in the areas of social, educational, emotional, and academic development. Students may be seen individually or in a group setting. The counselor is also concerned with student educational placement and providing orientation programs to facilitate the transition between middle and high school. Students may schedule an appointment with the guidance counselors by signing-in through the main office before school and between classes. Parents are encouraged to attend scheduling meetings. If you would like to attend you or your child can inform the counselor to set up the appointment with you. Further information on our Counseling Department may be found in the AHS Career and Schedule Guide found on the school website or by visiting <https://assumptionguidance.weebly.com/>.

Schedule Change Policy

A vast amount of time and effort is devoted to the intricate process of allowing students to select courses and the construction of a master schedule which will permit most students to get their choices. Students are to **carefully** select courses after conferring with parents, counselors, and teachers during the spring enrollment period. Few, if any, reasons for schedule changes would exist when school opens in August. Under extremely extenuating circumstances, a student may have his/her schedule changed by the counselor. This may be done to balance classes, or if a student has been assigned to a class that he/she completed in summer school. Once you are enrolled in a college prep course, you are NOT allowed to transfer into a regular class until the end of the first nine weeks. Transfers will only be allowed if a nine weeks grade is a "D" or below. A student **may not** change teachers. The deadline for students to request a schedule change is no later than (5) days after the first day of the semester.

If students do not turn in a schedule sheet by the due date, a schedule will be chosen for them. Our counselors will assign appropriate subjects according to the grade level of the student.

DISCIPLINE

It is our belief that the best discipline is self-discipline. It is also our belief that student discipline is the combined responsibility of the student, parents, and the school. Policies and procedures exist and must be followed to ensure the safe and orderly flow of daily activities within the school. Assumption High School assumes the responsibility of teaching discipline, when necessary, by enforcing the rules and regulations set by the Assumption Parish School Board. Note: Failure to attend detention can result in a suspension.

*****Students under current suspension/expulsion or with two or more suspensions may NOT participate in any extra-curricular activities at AHS.** (Extracurricular activities include but are not limited too: athletic events, dances, Spring Fest, Ceremonies, etc)

Fighting at school and on the bus will have more severe consequences.

Zero tolerance will again be in effect for students who fight while at school or at school-related events. In addition to behavioral consequences through the school system, students who fight will also be arrested by the Assumption Parish Sheriff's office.

We are aware that violence is increasing in our nation's schools. In any school system it is necessary that rules and regulations be established to ensure a safe learning environment for your children.

Students who are in possession of an electronic smoking device will also be referred to the SRO for legal ramifications.

Please refer to the Assumption Parish Schools Student Code of Conduct for the complete discipline plan.

DETENTION

(LUNCH)

Lunch detention will be held Tuesday through Friday (unless students are notified otherwise). Students are expected to report to the detention room at the beginning of his/her lunch. The students will be released with an ample amount of time to eat.

Lunch detention days will be paired Tuesday (20 minutes)/Wednesday (20 minutes) = 40 minutes and Thursday (20 minutes)/Friday (20 minutes) = 40 minutes. In other words, when a student is assigned one detention, he/she will have two days of lunch detention equal to 40 minutes.

If a student is not present for his/her assigned lunch detention and did not notify an administrator prior to detention time, he/she will be assigned to Time Out in the In-school Suspension Room.

(AFTER SCHOOL DETENTION)

After school detention will only be used if Lunch Detention can not be utilized for a particular reason. When utilized, the student who is assigned detention will report to the after school detention room within 5 minutes of the dismissal bell ringing. After school detention will take place from dismissal bell time to 3 pm. It will typically take place on two predetermined days of the week (Tuesday and Thursday.)

If a student is not present for his/her assigned lunch detention and did not notify an administrator prior to detention time, he/she will be assigned to Time Out in the In-school Suspension Room.

POSITIVE BEHAVIOR SUPPORT

When adults in our school notice students who exhibit characteristics of Mustang PRIDE (Prepared, Respectful, Involved, Determined, and Encouraging) OR those students who consistently display appropriate classroom behavior, they may give those students a token.
